Iâ€™ve lost it. :(The only thing in the world I wasnâ€™t supposed to lose. My engagement ring. Itâ€™s been in Magnusâ€™s family for three generations. And now the very same day his parents are coming, Iâ€™ve lost it. The very same day! Do not hyperventilate, Poppy. Stay positive :) !!

Â

Poppy Wyatt has never felt luckier. She is about to marry her ideal man, Magnus Tavish, but in one afternoon her â€œhappily ever afterâ€• begins to fall apart. Not only has she lost her engagement ring in a hotel fire drill but in the panic that follows, her phone is stolen. As she paces shakily around the lobby, she spots an abandoned phone in a trash can. Finders keepers! Now she can leave a number for the hotel to contact her when they find her ring. Perfect!

Â

Well, perfect except that the phoneâ€™s owner, businessman Sam Roxton, doesnâ€™t agree. He wants his phone back and doesnâ€™t appreciate Poppy reading his messages and wading into his personal life.

Â

What ensues is a hilarious and unpredictable turn of events as Poppy and Sam increasingly upend each otherâ€™s lives through emails and text messages. As Poppy juggles wedding preparations, mysterious phone calls, and hiding her left hand from Magnus and his parents . . . she soon realizes that she is in for the biggest surprise of her life.
